Khalifa University of Science and Technology Celebrates UAE's Flag Day

Khalifa University of Science and Technology celebrated United Arab Emirates' Flag Day today with an assembly for students, faculty and staff. Attendees recited the UAE's National Anthem and the pledge of allegiance while raising the UAE's flag.

Dr. Arif Sultan Al Hammadi, Khalifa University of Science and Technology's Interim Executive Vice President said: "The UAE flag is embedded in the hearts of all Emiratis. It is a symbol of the UAE that reminds us that we are united under the leadership of His Highness Sheikh Khalifa Bin Zayed Al Nahyan, and it motivates our students to become scientists, researchers and innovators, and future leaders of industry and contribute to the UAE's prosperity. Our flag is a symbol of the union of our beloved Emirates. It encourages us to work hard, study and do everything we can to raise the name of the United Arab Emirates, inspired by our wise leadership's vision."
